

In subsection (f) of this section, the more modern "savings and loan association" is substituted for "savings and loan or homestead association"; in this regard, see Title 6, Subtitle 2 of the Corporations and Associations Article.

In subsection (h) of this section, the phrase "but not by way of limitation" is deleted as unnecessary since the use of the word "including" is not intended in any sense to be exclusionary or limiting; the maxim expressio unius est exclusio alterius and doctrines of similar implication are not intended, therefore, to be made applicable by reason of this deletion.

Subsection (j) of this section is new language setting forth a broad definition of the term "person."

The only other changes are technical changes in style.
